This is the Preschool Handbook. Read it through carefully and refer to its pages whenever you want answers to questions that others have asked before you. It will explain our history and philosophy, practices and policies, and should help you become acquainted with our school. As always, please feel free to come to the office or your child's teacher with any questions or concerns.

MISSION STATEMENT

KUM Preschool is a Christian preschool dedicated to providing a safe, nurturing environment where all children, families and staff can learn and grow. (April, 2000)

OUR HISTORY

KUM Preschool celebrates over 50 years of learning and growing. Our school opened in April, 1962, on a trial basis with 30 children enrolled and a staff of two teachers. The trial was a success and in the fall of 1962, KUM opened with an enrollment of 45 children and a staff of three teachers. KUM continues to offer a variety of classes with an enrollment of over 150 children. There are 20 staff members including specialists who teach movement, music, Spanish and atelier.

OUR PHILOSOPHY

KUM believes in providing a strong foundation in social and emotional development through play-based learning. Developmentally appropriate curriculum is designed and facilitated by a dedicated staff of early childhood professionals so that children may achieve personal, social, and academic success while developing a love of learning in the process.

OUR OBJECTIVES

KUM Preschool strives to help each child:

- * Develop a sense of self
- * Realize his/her strengths
- * Be curious about the world
- * Be respectful and relate to others
- * Be problem-solvers
- * Become lifelong learners

OUR CURRICULUM

Developmentally appropriate curriculum is designed and facilitated by a dedicated, professional staff so that children may achieve personal, social, and academic success while developing a love of learning.

Each day includes class meetings, math and literacy development, and center time. Center time is designed to include a large block of time for child-directed play among the various centers in the room. During this time, teachers prepare the classroom with engaging

materials and learning opportunities so that children may explore and act on their environment, observe and ask questions, and interact with others.

Activities are also provided to practice emerging, age-appropriate skills during teacher directed, small group activities. Further options are also offered throughout the week to enrich the child's school experience, such as music, movement, art in the Atelier, Spanish, and outdoor exploration.

KUM PRESCHOOL BOARD OF DIRECTORS

KUM operates under the advice and counsel of our Preschool Advisory Board. Our Board changes bi-annually. A list of the current members and their contact information can be obtained from the preschool office.

GENERAL INFORMATION ABOUT KUM PRESCHOOL

ADMISSION

- 1.) KUM Preschool welcomes families of any race, color, nationality and ethnic origin and ensures all rights, privileges, programs, and activities are made available to all students at the school.
- 2.) KUM does not discriminate on the basis of race, color, national and ethnic origin in administration of its educational, admissions, or scholarship policies.
- 3.) Admission of a child to the KUM program is by application of the child's parents or legal guardians.
- 4.) Children who are three years of age before March 1st will be eligible for admission to the program.
- 5.) KUM admits children with disabilities and various special needs and accommodations. The application process involves, among other things, a health record and parent questionnaire, and an interview with the child and parents. Should special conditions or concerns develop as a result of this process, it may become necessary for special agreements to be reached between KUM and the parents or legal guardians before admission. Students can be maintained in the program, provided there is the proper level of support to maintain a successful preschool experience. KUM reserves the right to deny admission when it feels that either the program offered or the child's best interests cannot be served emotionally, medically, or socially.

WITHDRAWAL FROM THE PROGRAM

Parents must give two weeks' notice if withdrawing from the program. If immediate withdrawal is necessary, the family must pay the amount owed for those two weeks.

REGISTRATION/SUPPLY FEES

1.) Registration and supply fees are due upon registration. This fee is a one-time, **non-refundable** fee. The cost for registration is \$65 for one child, and \$25 for each additional child. The supply fee is added to the registration fee and are listed below:

1 day program- \$10

2 day program- \$20

3 day program- \$30

4 day program- \$40

5 day program- \$50

Extended Day- \$60

Lunch Bunch- \$10 per day of attendance

2.) **A \$25 fee will be charged for class changes requested after August 31 due to additional administrative and supply costs incurred.**

CLASSES

1.) A list of available classes can be found on our website and on our tuition sheet. Birthdates are included for each class to ensure that your child enrolls in the correct class.

2.) **A \$25 fee will be charged for class changes requested after August 31 due to additional administrative and supply costs incurred.**

OTHER CLASS OPPORTUNITIES

1.) Lunch Bunch- Lunch Bunch classes are offered on select afternoons from 11:30-1:30. Classroom teachers escort the children to their Lunch Bunch class at 11:30. Children must bring lunch from home. The children enjoy extra center time and outdoor play. Pick up is at 1:30.

2.) PreK Clubs- These clubs happen on select Tuesdays from 1:30-3:00. Classroom teachers escort the children to the club after their morning class. Clubs include gardening, yoga, and STEM-based activities.

3.) Musical Kindergarten- MK is offered to PreK students on Thursdays from 1:30-3:00 where they will learn musical concepts through singing, movement, and instruments.

4.) Spanish- Spanish happens on Wednesdays. Pre-K students may sign up to take Spanish. The 4-day, 5-day, and extended day classes have Spanish during their regular class time. The 3-day class has Spanish after class from 11:30-12:00. The classroom teacher escorts the children to Spanish, and the parents may pick up from the Spanish room at 12:00.

5.) Early Drop Off- Children may arrange to be dropped off early from 8-9am M-F for an additional fee of \$7 per hour.

TUITION

- 1.) Tuition is divided into 9 payments, with the first payment due in September. The remainder of payments are due the first of each month, beginning October 1st. Checks or cash are accepted. Checks should be made payable to KUM Preschool. Billing and payments may be accessed at MyProcure.com.
- 2.) Current tuition rates can be found on our website, www.kumpreschool.org, or a paper copy can be obtained from the preschool office.
- 3.) **There will be a late fee of \$10 for any tuition payment after the 10th of each month.**
- 4.) **A \$10 charge will be added to your payment for all returned checks.**
- 5.) If a family is unable to make payments after two months, the family must meet with the Director of the Preschool to determine a payment plan.
- 6.) If the family refuses to pay tuition owed to the school after arrangements for payment have been made; legal actions will be taken to collect the tuition.

SCHOLARSHIP

- 1.) A scholarship fund for children who would benefit from a preschool program, but are unable to attend because of financial concerns is available. Funds are designated within the preschool budget for this purpose. Donations may be made to support this fund by adding \$1 to your child's tuition check per month.
- 2.) A scholarship application may be obtained from the Director. The Preschool Board meets to approve all scholarship applications.
- 3.) Scholarship funds may also be obtained through the Kirkwood Area Every Child Promise if a family lives within the Kirkwood School District.
- 4.) Additional tuition support for childcare at CDO or Preschool is available through the LifeBridge program. LifeBridge is a mission which is dedicated to transforming families' lives by offering food, financial planning, and preschool opportunities

FORMS

- 1.) A number of forms will be passed out on Visit Day. These forms must be filled out and returned to the classroom teacher by the first week of school.
- 2.) **A health form completed by your child's physician must be submitted upon entering KUM Preschool.** Please submit any updated immunizations to the office as they occur.
- 3.) Immunization Exemption- Families who choose to abstain from certain immunizations for their child must have an immunization exemption form filled out and signed by their physician and on file in our preschool office.
- 4.) Parents may request notice at any time whether there are children currently enrolled in or attending the facility for whom an immunization exemption has been filed.

COMMUNICATION

1.) School news is shared in a variety of ways. Teachers send out weekly or monthly newsletters to inform you of day to day classroom news. The Director also sends out a monthly newsletter, the KUM Notes and News. Emails are sent from the preschool office to share important news. KUM also has a Facebook page. PLEASE LIKE US ON FACEBOOK. Information is also sent through the ProCare Connect App.

2.) Teachers communicate student goals and progress once a year. There is a formal conference in January to discuss progress throughout the year. Parents may ask for a conference with a teacher or director at any time to discuss goals, expectations and progress of the child and school.

CODES OF CONDUCT

Confidentiality Policy: The preschool staff adheres to the guidelines of the NAEYC Code of Ethical Conduct (1998). Ethical responsibilities to families:

1.) Ideals 1-2.1: *To develop relationships of mutual trust with the families we serve.*

2.) Principles P-2.9: *We shall maintain confidentiality and shall respect the family's right to privacy, refraining from disclosure of confidential information and intrusion into family life.*

3.) Expectations to uphold these guidelines apply to our families as well. Sharing information that would breach this Code of Ethical Conduct could compromise the goals and mission of our preschool. Questions and concerns may be addressed privately with the classroom and the Director at any time.

Social Media Policy: KUM Preschool currently uses our school website and Facebook page account to inform our families and the community about our school. We reserve the right to adopt other forms of social media in the future if we determine such methods enhance our ability to communicate with our families and our community and benefit our school.

1.) All methods of social media, either sanctioned by KUM Preschool, or ones of personal use, shall not be used inappropriately. KUM Preschool defines inappropriate electronic conduct as anything of a sexual nature, statements that threaten, libel, slander, malign, disparage, harass or embarrass members of the KUM Preschool community, families, students, and/or staff.

2.) No person shall use words, actions, or depictions which violate the privacy, safety, or good name of the community, families, students and/or staff associated with the school. In addition, inappropriate electronic conduct includes words and/or statements that can harm the school either internally or how the school is viewed by outside sources.

3.) KUM Preschool reserves the right to remove comments or content from social media site(s) that compromise the dignity of the school community, families, students and/or staff.

INSURANCE/LIABILITY

1.) All children and staff are covered by insurance. Insurance covers any accident during the hours of school as well as when the child is away from school on a supervised field trip.

2.) When a parent agrees to drive on a field trip, primary liability, in case of an accident where he/she is at fault, lies with the driver. For any coverage above the liability limits, the preschool may have secondary liability. Parents who volunteer to drive must be operating a state inspected vehicle, have a valid license, and have insurance coverage as required by state law.

ATTENDANCE

1.) School begins promptly at 9:00 am. Please arrive on time. Please drop your child off at the designated exterior door for your class.

2.) Please notify the school if your child is ill, or for other reasons.

ILLNESS

Please do not send your child to school if he/she exhibits any of the following symptoms. Contact your physician for a diagnosis, and follow recommendations for treatment. Remain at home until symptoms are resolved without fever-reducing medication for 24 hours.

- * Fever greater than 100.3 degrees
- * Runny nose/congestion
- * Coughing
- * Nausea/Vomiting/Diarrhea
- * Headache/Body aches
- * Mouth sores with drooling
- * Rash with a fever
- * Eye drainage
- * Signs of possible illness such as fatigue/lethargy/behavior changes

COVID-19

Please refer to our current Covid-19 policies and procedures on pages 15 and 16.

ALLERGIES

If your child has any FOOD allergies, please notify the office and the classroom teacher. Suggested snacks can be found on page 13. A list of peanut free snacks may be obtained from the office. If your child has seasonal allergies, have the physician make notes on the health form.

MEDICATION

A *Medication Authorization Form* and/or a medical action plan must be on file to administer medication. Medication must be in its original container labeled with the child's name. Medications should be stored in a cabinet away from children. It cannot be stored in a child's backpack.

SAFETY

KUM Preschool is a license-exempt facility, meaning that the school is operated under the exclusive control of a religious organization, yet follows all of the health and safety regulations as stated by the Missouri Department of Elementary and Secondary Education Office of Childhood. Any person who is a paid employee of KUM Preschool must undergo a background check from the Family Care Safety Registry. This background check includes:

- State criminal history records maintained by the Missouri State Highway Patrol
- Sex Offender Registry maintained by the Missouri State Highway Patrol
- Child abuse/neglect records maintained by the Missouri Department of Social Services
- The employee disqualification list maintained by the Missouri Department of Health and Senior Services
- The employee disqualification registry maintained by the Missouri Department of Mental Health
- Child-care facility licensure records maintained by the Missouri Department of Health and Senior Services
- Foster parent licensure records maintained by the Missouri Department of Social Services

Along with this background check, staff members take Safe Gatherings, as required by the Missouri Conference of the United Methodist Church. Safe Gatherings is an online abuse prevention program that screens and educates staff and volunteers to help prevent abuse of children, youth and vulnerable adults. Background and reference checks are also part of this training.

There are two teachers in every classroom for the protection of our students, as well as staff.

KUM Preschool allows Parent Volunteers in the classrooms. These volunteers must watch our Parent Helper Video for guidance on how to participate in the classroom setting. Any one who is a volunteer in the classroom signs an affidavit stating that they have not been convicted of a crime involving children, and must be willing to undergo a background check through the FCSR if the school deems it necessary. These volunteers are always in the company of the teacher or assistant teacher, and never left alone with children.

KUM Preschool participates in intruder training with the Kirkwood Police Department in order to be prepared for such an incident.

Doors to the building are to remain locked at all times, except during pick up time when parents/caregivers enter the building to pick up children. If a parent/caregiver must enter the

building at other times, they may ring the doorbell and a staff member will escort them into the building and sign in at the Welcome Desk.

DROP OFF/PICK UP PROCEDURES

- KUM Preschool has three points of entrance to the school- the Gym Doors, the Preschool Doors, and the North Entrance on Washington. The preschool office/classroom teachers will notify the families which entrance to drop off their student in the morning.
- If a student is late, please ring the doorbell at either the Preschool Door or the North Entrance on Washington. A preschool employee will escort your child to class.
- School ends at 11:30 for the morning sessions, 1:30 for Lunch Bunch, and Extended Day, and 3:00 for Extended Day. The exterior doors will be unlocked and parents/caregivers may pick their child up from the classroom, unless otherwise directed by the classroom teacher.
- A form for names of authorized persons to pick up children must be signed at the beginning of the school year. If there is a change in the person who will pick up the child, the teachers must be notified.
- Parents may arrange their own carpools for pick up.
- Teachers may ask the adult picking up to show identification to ensure that the child is being released to a person on the list.
- **No child will be released to someone not listed on the form without notification.**
- Please be prompt when picking up. If you are running late, please call the office. **Habitual tardiness is not tolerated.** If this occurs, the parents will be given a warning, then charged a late fee. Parents will be given a five minute grace period for tardiness. After that time, the parents will be charged \$1 per minute they are late.

SCHOOL CLOSINGS

The school will be closed in case of snow or ice when Kirkwood School District cancels classes, or if the Director deems the roads or parking lot conditions are unsafe. School closings will be announced on KMOX AM1120, and also on FOX2, KMOV, and KSDK. It will also be posted on our Facebook page, our ProCare messaging system, and an email blast will be sent out. Snow days will not be made up unless there are an excessive number of days missed.

BEHAVIOR EXPECTATIONS

Preschool is a place which allows children to practice using age-appropriate behaviors in a safe, nurturing environment. Children are learning how to make good choices and interact positively within the environment and social contexts. To ensure success for each child, the school sets reasonable and predictable limits so children can behave freely and responsibly within secure boundaries. These limits are to ensure that all children feel safe, respected and loved.

1.) KUM Preschool has a KINDNESS CODE:

- * Take care of yourself.
- * Take care of your friends.
- * Take care of your school.
- * Take care of our world.

2.) The methods in which these expectations are taught include:

- * Direct teaching and experiences
- * Modeling of appropriate behavior by all adults- teacher, staff, and parents.
- * Positive reinforcement techniques to support appropriate choices made.
- * Redirecting children so that children can make a new, more acceptable choice.
- * Teachable moments- Problem-solving techniques will be taught, along with conflict-resolution, as they occur naturally.

3.) Teachers will approach situations with empathy, using a calm voice and demeanor.

4.) Simple, logical consequences will follow children's behavior so that children can begin to learn the consequences of their actions.

5.) A self-calming time may be necessary if a child is extremely agitated or upset. A teacher, assistant, assistant director, or director may sit with a child during this self-calming time. When the child is ready to resume play or group activity, the adult will assist the child back to the class.

6.) No child may hurt another child. Teachers will intervene and remove the child(ren) from the situation, allow the child time to calm down, and help the children make better choices for problem-solving and conflict resolution. Parents will be notified of the following types of incidences: Hitting, kicking, biting, scratching.

7.) If a child exhibits challenging behaviors, meaning "a behavior which interferes with the child's learning and development, or the learning and development of other," (Kaiser & Sklar-Rasminsky, 2015), parents and teachers will work closely to develop a behavior modification plan so that the child may become a productive member of the classroom community. If a child does not show growth under these plans, KUM may seek the advice of outside support staff, or may suggest an alternate school placement.

TOILETING EXPECTATIONS

KUM Preschool does not expect children to be potty trained in the Young 3's class, but children should be potty trained by the time a student enrolls in the Regular 3's, Young 4's and PreK classes. Potty training consists of knowing when and how to use the restroom and to be independent in this area. Young children will still be learning how to be independent in toileting and we understand that there will be accidents. Teachers will assist in changing soiled clothes, and work with children to become independent. We do not exclude children from our program for having accidents, as many schools do. Teachers will teach children to wipe themselves and encourage independence in self-help skills such as

putting on/taking off clothes, buttoning, zipping, and snapping. We offer flushable wipes to make wiping easier, and plastic bags at the ready for soiled clothes. We typically do not wipe children's bottoms in the PreK classes, unless they have a developmental delay, or parents specifically ask for assistance, which in that case the Director would help. We respect the children's right of privacy for their body as they become older.

PARENT CO-OP (*The Co-Op program will be reinstated for the 2022-2023 school year in a new format called VIP VOLUNTEERS.*)

- 1.) Parents who have chosen to participate in our VIP VOLUNTEER program may sign up for a date once a semester on the class calendar. The times for volunteers will be agreed upon by each classroom teacher and the volunteer.
- 2.) Volunteers must have a signed volunteer agreement on file in the office.
- 3.) Volunteers should dress appropriately for class participation. Please wear comfortable clothing and shoes that can be exposed to paint, sand, water, etc.
- 4.) Please refer to the teacher's expectations for volunteers and watch the Parent Helping video on our website. The purpose of Volunteering is to assist all children, the teacher(s), and to have fun.
- 5.) Volunteers should not help with child toileting/bathroom use other than their own.
- 6.) Please refrain from drinking and eating other than snack at snack time.
- 7.) Please limit cell phone use.

FIELD TRIPS

- 1.) Walking Field Trips- Notice of the field trip will be sent home by the teacher. Parents must sign a Walking Field Trip Form. Parent volunteers will be needed to accompany children on the field trip.
- 2.) Driving Field Trips- For most field trips outside of Kirkwood, parents are asked to take their own children to and from the field trip. Parent may arrange to carpool with another family. In this case, parents are expected to adhere to MO Child Car Seat/ Seat Belt law.

BIRTHDAYS/CELEBRATIONS

- 1.) KUM celebrates birthdays at school. Please check with your classroom teacher to learn how birthdays are celebrated in your child's class. Birthday treats can be home baked.
- 2.) KUM also celebrates holidays. Please check the KUM Calendar for Halloween parade times, winter parties and Valentine's exchanges. Opportunities to sign up as a party volunteer will be posted at Visit Day. Please check with your teacher regarding how holidays are celebrated.

PARENT VOLUNTEER OPPORTUNITIES

KUM is a great place because of YOU! Please consider volunteering your time in these ways. A google form will be sent out to sign with these committees:

- * Scholastic Book Fair
- * KUM Carnival
- *Teacher Appreciation
- * Recycled Treasures for the Atelier
- * Gardening

DONATIONS

KUM is a great place because of your generosity. If you would like to donate, we have a yearly Re-Fundraiser Program which allows families to make a one-time, tax-deductible contribution. These funds are designated to support the school with purchases for the classroom, garden, and playground.

ISOLATION PROCEDURES IF YOU TESTED POSITIVE WITH COVID-19

If you are diagnosed with Covid-19, please stay home and isolate yourself from others to mitigate the spread of the disease.

IF YOU ARE HAVING COVID-19 SYMPTOMS

Stay home and isolate from others. Please refer to our Symptom Decision Tree for a list of symptoms. If you have two low-risk symptoms, or one high-risk symptom, notify the school, then contact your physician and/or get a PCR or rapid test from a testing site.

IF YOU ONLY HAD ONE LOW-RISK SYMPTOM, OR YOU ARE NEGATIVE FOR COVID-19, YOU MAY RETURN TO SCHOOL WHEN YOU ARE FEVER FREE FOR 24 HOURS AND SYMPTOMS ARE IMPROVING. KUM PRESCHOOL AND CDO DO NOT ACCEPT HOME COVID-19 TESTS.

IF YOU TESTED POSITIVE FOR COVID-19 ISOLATE AT HOME FOR AT LEAST FIVE DAYS

Isolation ends at least five days after your symptoms started or your positive test AND you are fever free for 24 hours, AND you don't have a runny nose, AND your cough is minimal with symptoms improving.

WHEN YOU ARE SYMPTOM-FREE

You may resume normal activities. Continue masking for 10 days after your positive Covid test. This includes masking at home as well as in public.

IF YOU ARE ASYMPTOMATIC

You may resume normal activities after your 5 day isolation period. Continue masking for 5 days. This includes masking at home as well as in public.

IF YOUR CHILD CAN CONSISTENTLY AND CORRECTLY WEAR A MASK

Return to school symptom free wearing a mask the next 5 days. Lunch, snack and drinking will be done away from others.

IF YOUR CHILD CANNOT CONSISTENTLY AND CORRECTLY WEAR A MASK

Stay home for the remaining 5 days of quarantine

Student Symptom Decision Tree

Screen all students for potential COVID-19 symptoms or exposure

Low-risk: general symptoms

Fever ($\geq 100.4^{\circ}\text{F}$)

Sore throat

Congestion/runny nose

Headache

Nausea/vomiting/diarrhea

Fatigue/muscle or body aches

High-risk: red flag symptoms

Cough

Difficulty breathing

Loss of taste/smell

QUARANTINE PROCEDURES IF YOU ARE A CLOSE CONTACT TO A PERSON WITH COVID-19

A close contact is exposure to a person within 6 feet over a 15 minute time period within 24 hours.

THE FOLLOWING PROCEDURES ARE FOR PEOPLE WHO ARE UNVACCINATED OR NOT UP-TO-DATE WITH VACCINES. MANY OF OUR PRESCHOOL AND CDO CHILDREN ARE NOT ABLE TO BE VACCINATED. Fully vaccinated individuals must mask for 10 days with no quarantine. Individuals that have recovered from Covid-19 in the last 90 days are naturally immune and do not have to quarantine.

IF THE EXPOSURE IS OUTSIDE THE HOME

No further contact with the infected person

QUARANTINE AT HOME FOR FIVE DAYS

Taking a Covid-19 test after day 5 is recommended

IF YOUR CHILD CAN CONSISTENTLY AND CORRECTLY WEAR A MASK

Return to school symptom free wearing a mask the next 5 days. Lunch, snack and drinking will be done away from others.

IF YOUR CHILD CANNOT CONSISTENTLY AND CORRECTLY WEAR A MASK

Stay home for the remaining 5 days of quarantine.

IF THE EXPOSURE IS INSIDE THE HOME

Quarantine depends on if the infected person is isolating with no contact for 5 days or until symptoms are resolved along with masking for 10 days after their positive test.

IF THE POSITIVE MEMBER CANNOT ISOLATE

Entire family must stay home until positive member's isolation period of 5 days is complete or symptoms are resolved, whichever is later.

THEN QUARANTINE AT HOME FOR FIVE DAYS

Taking a Covid-19 test after day 5 is recommended.

IF THE POSITIVE MEMBER CAN ISOLATE

Quarantine for 5 days at home while the positive member is isolating away from the family.

IF YOUR CHILD CAN CONSISTENTLY AND CORRECTLY WEAR A MASK

Return to school symptom free wearing a mask the next 5 days. Lunch, snack and drinking will be done away from others.

IF YOUR CHILD CANNOT CONSISTENTLY AND CORRECTLY WEAR A MASK

Stay home for the remaining 5 days of quarantine.

IF YOUR CHILD DEVELOPS SYMPTOMS AT ANY TIME, PLEASE STAY HOME AND CONTACT YOUR PHYSICIAN
